This report is titled the "Destiny and Decisions Forecast" because there is an element of the future that you cannot change; this is your destiny. But you also have choices and options available to you; these are your decisions.

This report predicts where the planets are in the current time period, when they will be forming aspects to your natal planets, what influences these aspects bring, and how long they will last--as far into the future as you wish to look. THIS is truly PREDICTIVE ASTROLOGY!

Our report goes beyond the limitations of most astrological forecast reports in two very important ways: (1) we go into a much more detailed interpretation for the heavier aspects that could have a greater impact on your life, and (2) we include some suggestions for you to consider regarding how you may deal with the influences. This should eliminate the need for further counseling in most cases.

Your forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 1999 (June 15, 1999 to July 15, 1999)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength.

An influence may last for as little as a week to as long as half a year or so.

To obtain maximum benefit from this report, we recommend a periodic study and review of the information as the time period unfolds--once a week, at least, and more often when there are significant things going on in your life. It is always good to keep a diary or a journal to get a sense of the timing of the transits and a history of how they affected your life.

Following is the data from your natal chart with which the transiting planets form aspects:

**3 June 2015** (1 June 2015 to 28 July 2015) 10th H.

**TRANSITING MARS IN THE TENTH HOUSE**--Mars transiting the houses influences the departments of life in which you express your actions and desires and where you need to use energy and initiative in order to get results. While transiting the tenth house, it will emphasize your desire for fame and status. You will have a strong competitive drive to reach the top, and are likely to earn recognition in whatever you attempt to do now. You can be a leader, and politics could be the field. Your motives are materialistic, and you will need to avoid using unfair means to gain power and recognition.

**6 June 2015** (5 June 2015 to 15 July 2015) 11th H.

**TRANSITING SUN IN THE TENTH HOUSE**--When the Sun transits this house of your Natal chart, it will influence the departments of life most strongly affected by the individual will and power potential. Tenth house position generally indicates a time when you will be ambitious to attain positions of responsibility, power, and authority. You are likely to be rather dignified and you have a strong will to succeed. You will desire honor and recognition and will work hard to acquire the necessary knowledge and skills to achieve your goals. You are probably a good manager and demand respect. You also want to set a good example for others. You need to watch out for an excessive love of power and for dictatorial attitudes.

**29 June 2015** (28 June 2015 to 19 July 2015) 10th H.

**TRANSITING MERCURY IN THE TENTH HOUSE**--Transiting Mercury in the houses deals with the practical affairs that occupy your mind and shows what areas of activity will be influenced by your thoughts and communications. In the tenth house it influence you to pursue education for reasons of professional ambition. You have good organizational ability and the capacity to plan for the future. Your

career is not likely to be accidental. You are able to communicate with people of power and prestige, and with the public, so that politics would be a natural for you. Whatever your occupation, it will involve communications media. Ambition is the keyword during this transit, but beware that it could take precedence over principles if you are not careful.

4 July 2015 (2 July 2015 to 14 Aug 2015) H.

TRANSITING VENUS IN THE TWELFTH HOUSE--Venus transiting in the houses influences how you may express yourself socially, romantically, and artistically in the various areas of your life. In the twelfth house it brings a love of quiet and solitude. You can be secretive about social contacts and romance--and may even have secret love affairs. Your feelings are sensitive and finely tuned to the feelings of others, giving you much compassion--but also allowing you to be easily hurt. Much of your personal behavior will be motivated from an unconscious level. You will have a deep emotional and artistic attunement to the unconscious mind during this transit, which can bring you some intense artistic inspiration.

5 July 2015 8 AM (3 July 2015 to 7 July 2015) Plu

TRANSITING VENUS SEXTILE NATAL PLUTO--This transit deepens the emotions and all of those you that feel today will have extraordinary force and vigor. It is a good time to try to understand your emotions and how they affect your relationships. Love relationships are more intense, and physical sex is likely to seem more transcendental. You can enhance relationships now because you feel the full force of your emotions. It is also a time for truth and self-honesty.

5 July 2015 8 AM (5 July 2015 to 6 July 2015) Plu

TRANSITING MERCURY TRINE NATAL PLUTO--This transiting trine gives you the ability to get to the bottom of things. It helps the influences of mental Mercury to penetrate the often heavy depths of the influences of Pluto. You will have good powers of concentration during this time. You will be able to use your willpower intelligently, giving you the ability to increase your mental abilities and improve your mind in the areas of communication. You probably like mystery stories, and could write them as well. You have a sensitivity to nuclear science, but this can also be interpreted as an interest in the occult. Interest in activities toward preserving the world environment may surface now. Pluto demands that your efforts include the betterment of conditions for all mankind.

6 July 2015 4 AM (5 July 2015 to 7 July 2015) Oppos Nep

TRANSITING MERCURY OPPOSITE NATAL NEPTUNE--When this aspect is in transit, you could be sensitive to other people's thoughts and motivations through subconscious telepathy. This could lead to deceitful practices by attempts at subtle telepathic out-maneuvering if you're not careful. It is difficult for you to shut off environmental influences and hard to control your imagination. You have so

many subconscious messages at times that it is hard to concentrate on reality and responsibilities. You need to practice openness and straightforwardness now. It is not that you mean to deceive, but your intuitions are strong and not always accurate. Cultivate communications with the spiritual source and seek positive guidance for these gifts.

*7 July 2015 4 AM (5 July 2015 to 9 July 2015) Ven*

TRANSITING VENUS SQUARE NATAL VENUS--Square aspects usually bring challenges and difficulties, but this is normally a pleasant transit, bringing leisure and good times. However, it can also be a time of testing of relationships to see if they are on a sound footing. Your ability to maintain your own identity within the relationship will be challenged, but it is not a time when you will do much about it. You are more likely to compromise than to stand up for your rights. This is not a good time to go shopping. You need to be aware of tendencies toward self-indulgence and extravagance. Your energy may be low, and you will not have much enthusiasm for work.

*7 July 2015 7 PM (6 July 2015 to 9 July 2015) Nep*

TRANSITING VENUS TRINE NATAL NEPTUNE--This is a pleasant aspect but not good for getting things done. Expect fantasies and daydreams. This could be an extremely useful transit for creative activity, but you must completely work it out in your head before producing the physical form. This transit inspires compassion and tenderness, along with unselfish and spiritual love. Unhappy relationships could improve, and good ones get better. Seek the higher plane of Neptune through prayer and meditation.

*7 July 2015 11 PM (6 July 2015 to 9 July 2015) Sat*

TRANSITING SUN SQUARE NATAL SATURN--This is not a "lucky" transit. It can be difficult because it raises issues you find hard to handle. Remember, Squares bring challenges to be met and obstacles to overcome, and one of the major influences of Saturn is discipline. You may feel depressed and restricted, but you must still deal with the issues. It is easy to make assumptions and to not check them out for truth. Life has not forced this on you--you reinforce the feelings by not challenging them. You need to break out of this "vicious circle" by taking a positive look at the world and the people around you. Your physical and psychological energies are low, and you are likely to be holding yourself back. The purpose of discouragement is to reveal the weaknesses and the areas where you need to shore up your strength and self-confidence. At this time, try to recall all the successful efforts you have experienced in your lifetime and all the obstacles you have already overcome. Remember, also, all the good relationships you have had with other people and don't forget to cherish those you still have. Don't let your negative attitude deny that there has been positive experiences in your life.

*8 July 2015 2 AM (6 July 2015 to 9 July 2015) Mars*

TRANSITING MARS SQUARE NATAL MARS--This is a good transit for getting work done,

provided you can control your impulsive behavior. Your ego energies are high and you could assert yourself very inappropriately if you are not careful. You may feel like you could conquer the world, and could issue unnecessary challenges to the people around you. On the other hand, you may have to deal with someone else who is doing the same things to you. In that case it is best to be patient as long as possible, only fighting back if there are important issues at stake. It will be very difficult to endure any kind of frustration during this time. Take care of your physical health under this transit, and avoid taking any unnecessary chances which could result in accidents.

*8 July 2015 8 AM (7 July 2015 to 9 July 2015)* ~~Mer~~ Conj Moon

TRANSITING MERCURY CONJUNCT NATAL MOON--This is the transit to communicate feelings and emotions, but reason and logic may be difficult. However, the conjunction of the planet of mind and communication with the planet of feelings and emotions influences expression at all levels. This is not always a comfortable combination, mostly because we are usually aware of thoughts and feelings on different levels of awareness. However, during this transit, we can often get true meanings across better than at any other time.

*8 July 2015 3 PM (8 July 2015 to 9 July 2015)* ~~Mer~~ Conj Sun

TRANSITING MERCURY CONJUNCT NATAL SUN--This transit will enhance your power to express yourself clearly and strongly. You will be able to impress others and gain their support for your point of view. You will be more able to understand your goals and your purpose, and to communicate them to others. Even if some others don't agree with you, they are likely to understand and support your point of view. With all this personal power you must be careful that the understanding works both ways. There will be several and various types of communications bombarding you during this transit. Understanding and discrimination on your part could be vital. You could feel restless and "tied down", so travel if you need to and let your mind be expanded.

*9 July 2015 1 AM (9 July 2015 to 10 July 2015)* ~~Mer~~ Trine Jup

TRANSITING MERCURY TRINE NATAL JUPITER--This transit expands the mind. It favors all types of business and commercial activity, as it is an excellent time for planning for the future and creating organizational systems. Although Jupiter is sometimes called the "lucky" planet, these things do not happen through luck, but rather through hard work, which the mind is opened up to realize during this time. You are optimistic and positive in your thinking, which, when applied with luck, can lead to phenomenal success.

*11 July 2015 11 AM (11 July 2015 to 12 July 2015)* ~~Sun~~ Sextil Asc

TRANSITING SUN SEXTILE THE NATAL ASCENDANT--This transit illuminates the Self with a need to seek recognition from others. In group activities you will want to lead and the others will sense

your need for that and won't seem to mind. Your need for social activities will be strong, and will be fulfilled by sharing with others. This works both ways, for no one is alone in this world. Others will respect you for being open and honest, and everybody likes to be needed.

11 July 2015 (9 July 2015 to 14 November 2015) H.

TRANSITING JUPITER IN THE TWELFTH HOUSE--This could be one of the most beneficial of twelfth house transits, but not in ways as obvious as some of the others. You have the capacity to learn much about the spiritual and philosophical dimensions of life during this time. You are also able to learn more about yourself without the self-criticism and fear which is usually felt when you confront aspects of yourself which you consider less than desirable. You have more compassion for yourself and others, and can feel more direct empathy for suffering than usual. There seems to be a natural understanding that what helps one will help everyone. This transit could influence you to delve deeper into metaphysics and the occult, and/or, it could indicate a deeper involvement with an established religion. A significant person or entity could possibly emerge now in the role of spiritual guide or teacher. Some area of your life could be spiritually healed now, and you can learn to pass the healing on to others. You are likely to grow considerably more comfortable with mysticism and the deeper meaning of life while Jupiter is transiting the twelfth house.

13 July 2015 1 PM (13 July 2015 to 14 July 2015) Sq Mars

TRANSITING MERCURY SQUARE NATAL MARS--This transit can cause you to be irritable and suspicious. The Mercury mind and communication influences are squared off against the urgency for action of Mars. Any conversation will be a challenge, and you may cause people to avoid you. You may have to defend your ideas or your position on something to others, and it will be difficult to get your ego out of the way--which is the appropriate way to deal with this transit. Beware of suppressing hostility and anger lest they manifest themselves as accidents. Especially beware of burns.

14 July 2015 (9 July 2015 to 19 July 2015) Plu

TRANSITING JUPITER SEXTILE NATAL PLUTO--This is a transit of expansive regeneration. You will want to make positive changes in your personal and social world. It is a powerful aspect, and you could be able to precipitate changes all around you. The trick is to know how far to go and when to stop. On the personal level, it could mean professional success, political power, or gain in personal wealth and resources. It can also provide opportunities for you to correct situations in your life which have caused trouble for you.

15 July 2015 (14 July 2015 to 16 August 2015) H.

TRANSITING SUN IN THE ELEVENTH HOUSE--When the Sun transits this house of your Natal chart, it will influence the departments of life most strongly affected by the individual will and power

potential. In the eleventh house it will focus your interest in friendships and group activities. You are also likely to become interested in occult subjects, scientific endeavors, and technological advances. You will have many friends by whom you are held in high esteem. You have a strong sense of the brotherhood of mankind with strong humanitarian feelings. You like to see things in terms of universal laws that apply impartially to all. With your nature toward group leadership, however, you need to beware of any tendency to dominate others for selfish purposes--or tendency to let others dominate you for the same reasons.

*16 July 2015 6 AM (13 July 2015 to 20 July 2015)* ~~16 July 2015~~ ~~16 July 2015~~ Moon

TRANSITING VENUS SEXTILE NATAL MOON--Sextiles are supportive, and this is a soft emotional transit. You will feel protective and nurturing. All types of relationships will be enhanced and mutually fulfilling. Anger and resentments are far away. Others will feel your warmth and respond accordingly. Relations with women are good today. Enjoy!

*16 July 2015 5 PM (16 July 2015 to 17 July 2015)* ~~16 July 2015~~ ~~16 July 2015~~ Sq Sat

TRANSITING MERCURY SQUARE NATAL SATURN--Square aspects usually bring challenges and obstacles to be overcome. With this one, your critical faculties are sharp and your standards are high, but communication may be difficult. It may be hard to "think positive" during this transit, but it is good for heavy mental work and tasks which require disciplined thinking. It is not a good time for negotiations and business transactions. Mental discipline is never pleasant, but try to avoid undue criticism of yourself and others.

*17 July 2015 1 AM (17 July 2015 to 18 July 2015)* ~~17 July 2015~~ ~~17 July 2015~~ Plu

TRANSITING SUN SQUARE NATAL PLUTO--The way you live and work will be tested during this transit. The Sun will help to illuminate the areas of your life that are not working very well, and Pluto will influence you to repair (regenerate) them. Be willing to give them up and make room for positive creative changes that can take place now. As in most aspects with Pluto, changes tend to be permanent. You will feel satisfaction from those methods that prove to be right, and a great sense of relief from those that you purged from your life and regenerated.

*17 July 2015 7 PM (16 July 2015 to 19 July 2015)* ~~17 July 2015~~ ~~17 July 2015~~ Sq Sat

TRANSITING MARS SQUARE NATAL SATURN--Caution is the keyword under this square. Fear can be a factor in preventing full functioning. Authority figures may discourage you now, actually reinforcing some feelings you are already having about yourself. Inner energies are struggling against your inhibitions, and you need to realize that you can't find self-worth solely from the opinions of others. Control anger, and direct it toward physical activities. The best way to handle this transit is to confront yourself with your own opinions, and don't start anything too big or long-term now.

*18 July 2015 12 AM (14 July 2015 to 24 July 2015) Sextil Sun*

TRANSITING VENUS SEXTILE NATAL SUN--Sextiles are supportive, and this one is a pleasant one. People will be good to you under this transit, and you will enjoy group activities and being with friends. It is a good time for working with others, especially those in authority, and opportunities for advancement could result. This is an extremely good transit for any kind of an interview where you need to make a good impression. It is a good time to ask for favors of any kind. You will also be interested in all things artistic.

*18 July 2015 3 AM (17 July 2015 to 19 July 2015) Sextil Ven*

TRANSITING SUN SEXTILE NATAL VENUS--This transit illuminates your good feelings and affection toward everyone around you. You will be aware of your relationships and how much love is shared. If there are tensions, now is a good time to resolve them. Friendships are important to you, and new ones are likely to develop during this transit. You may be quite popular and can readily make new friends. Any good impression you make will be because you are who you are. Be careful not to come across as mushy or phony. This is also a good transit for financial matters. Tie up any loose ends in your finances now.

*18 July 2015 6 AM (17 July 2015 to 19 July 2015) Mer-Sextil Asc*

TRANSITING MERCURY SEXTILE THE NATAL ASCENDANT--This aspect quickens the mind and enhances communications skills. Self confidence and self-worth are enhanced. You will like to talk, and are more mentally alert than usual. It will be easy to reach agreements, and is a good time to get rid of paperwork and to write letters. It is a good time for any kind of commercial or business transactions, contract negotiations, and/or buying and selling.

*19 July 2015 (14 July 2015 to 24 July 2015) Jup-Sqr Ven*

TRANSITING JUPITER SQUARE VENUS--This transit tends to make you feel warm and loving, but the problem is in the expression of those feelings. It may produce a lassitude and passivity, which, if interrupted, will turn into reproach. It could attract a significant love relationship, or somehow affirm one already in existence. However, it might not be a very comfortable relationship. You should be aware that, whatever the feelings now, the experience is necessary for your growth in romantic matters.

*19 July 2015 (18 July 2015 to 4 August 2015) 11th H.*

TRANSITING MERCURY IN THE ELEVENTH HOUSE--Transiting Mercury in the houses deals with the practical affairs that occupy your mind and shows what areas of activity will be influenced by

your thoughts and communications. In the eleventh house the focus is on communications and the exchange of ideas with friends and groups. You will seek out associations which will stimulate your mind, and you will both teach your friends and learn from them. You are open to all humanity, and are likely to have much compassion and insight into the larger social issues. You love truth, impartiality, and the ability to think with originality and objectivity. You need to take care that your ideas do not become eccentric or impractical during this transit.

*20 July 2015 7 PM (20 July 2015 to 21 July 2015)* ~~Mer~~ <sup>Sqr</sup> Plu

TRANSITING MERCURY SQUARE NATAL PLUTO--Square aspects usually bring challenges and/or obstacles to be overcome, and this one is no exception. This transit can bring hidden forces to light and trigger psychological energies within that could change your life. Positive introspection can bring greater awareness and control of the inner dimensions of your being. On the other hand, it can cause compulsive thinking and a tendency to force your point of view on others. This could produce strong opposition from them. It is important to keep an open mind on all issues and not become obsessed with one idea or thought. You will not want to accept events at face value at this time, and it is a good time to study subjects like psychology, philosophy, mysticism, and the occult.

*21 July 2015 6 AM (21 July 2015 to 22 July 2015)* ~~Mer~~ <sup>Sxt</sup> Ven

TRANSITING MERCURY SEXTILE NATAL VENUS--This is a light transit whose greatest value is putting you in touch with your feelings of love and friendship. It will be easy now to tell someone you love them. Relationships will be quite harmonious and it should be easy to clear up any misunderstandings. Your appreciation of beauty is great and it is a good time for appreciating lovely things that have no purpose except to be what they are.

*21 July 2015 (16 July 2015 to 26 July 2015)* ~~Jup~~ <sup>Trine</sup> Nep

TRANSITING JUPITER TRINE NATAL NEPTUNE--This aspect stimulates the idealistic and spiritual side of your personality. You will inquire into the secrets of life through religious, spiritual, and mystical studies. It is quite possible that a special person will come into your life in the role of teacher, or spiritual leader, during this time. If this should happen, be cautioned not to idealize the person, rather appreciate the truth he/she brings. Positive spiritual growth and progress are indicated, but it will be easy to lapse into a pleasant dreamy state of mind. This transit also awakens benevolent and humanitarian impulses in you. You will have great compassion for the sufferings of others and want very much to do something about them.

*21 July 2015 4 PM (17 July 2015 to 2 Aug 2015)* ~~Ven~~ <sup>Sxt</sup> Jup

TRANSITING VENUS SEXTILE NATAL JUPITER--Sextile aspects are supportive, and this transit brings tranquility. You are at peace with the world and want to share it with everybody. It is a time for

rest and recreation, and social activities will be pleasant. It is a favorable transit for financial enterprises, and legal matters decided now are likely to be in your favor. You may feel a lack of discipline and unwillingness to work.

*22 July 2015 8 PM(21 July 2015 to 24 July 2015)* ~~Mars~~ Sextil Asc

TRANSITING MARS SEXTILE THE NATAL ASCENDANT--This is a rare Mars transit in that it is good for working with others in a team effort (though you will probably need to feel like YOU are the leader of the team!). With the energy of the transit, you will not be happy just sitting around, so if there is some kind of a project you can put together with friends or co-workers, now is the time to do it. Environmental concerns would be high on the interest index. This transit also provides a good time to tell other people how you feel about things in general, as well as things of a personal nature. Physical activities are likely to be most appealing and most satisfying.

*23 July 2015 4 PM(23 July 2015 to 24 July 2015)* ~~Sun~~ Squ Jup

TRANSITING SUN SQUARE NATAL JUPITER--Squares usually bring obstacles to overcome and challenges to be met. This is a little different square transit, as it brings enormous energy for accomplishment. You can succeed at tasks you would not normally tackle, but with the expansive influences of Jupiter, you may be inclined to bite off more than you can chew. Try to rein in your enthusiasm and apply the energy to tasks you can reasonably expect to complete. You may experience some opposition from others, so be careful to consider their points of view. Find a common ground of compromise, and avoid taking a position of arrogance or self-righteousness. Any positive effort seasoned with restraint will succeed under this aspect.

*23 July 2015 6 PM(23 July 2015 to 24 July 2015)* ~~Merc~~ Squ Jup

TRANSITING MERCURY SQUARE NATAL JUPITER--Squares usually present challenges and obstacles, but with the expansiveness of Jupiter, the energy seems to "blend". This transit makes you feel optimistic and positive about life. You have the ability to see the "big picture", and are inclined to make big plans and set long range goals. You think in more abstract terms, therefore the implementation of plans could be sloppy. Don't forget details. Watch out for arrogance in communications. With awareness, this transit can be a great force for good.

*24 July 2015 5 AM(23 July 2015 to 25 July 2015)* ~~Merc~~ Trine Ura

TRANSITING MERCURY TRINE NATAL URANUS--This trine is a supportive aspect which helps combine the influences of both planets. It will make you feel more alive and mentally alert than at any other time. New ideas will come more rapidly than usual and your vision will have more breadth and scope. Communications will be dynamic and electric. You will seek stimulating people and thoughts, and it is a good time to begin the study of something new. You will want to break away from routine.

Metaphysical studies are in order, and your intuition and perception are very active. Don't waste these energies.

*24 July 2015 5 PM(23 July 2015 to 25 July 2015) Sine Ura*

TRANSITING SUN TRINE NATAL URANUS--The Sun illuminates you and the world around you and this transit encourages self-discovery. There will be an air of excitement and suddenness with a heightened level of understanding about yourself and the world around you. It is a good time to expand your horizons and for the study of any technical discipline, such as astrology, mysticism and psychic phenomena. Very little that affects you is hidden from you during this transit, and you can be very much aware of who you are. You will be energetic and restless, so it is not a good time to relax. Use the energy to expand your life with new experiences and new encounters.

*25 July 2015 12 PM(21 July 2015 to 29 July 2015) Ura*

TRANSITING VENUS SQUARE NATAL URANUS--The emotional and artistic influences of Venus are squared off against the imaginative influences and the urge for freedom of Uranus. This could be a transit for seeking new experiences. You are likely to look for excitement and stimulation through your love relationships, possibly even to the point of provoking a fight. These two planets signify love and freedom, and different people have different interpretations of "free love". You may be flirtatious now, but don't take it too seriously. In another area, your artistic freedom and artistic expressions are stimulated, but success is not guaranteed.

*27 July 2015 5 PM(27 July 2015 to 28 July 2015) Merc*

TRANSITING MERCURY SEXTILE NATAL MERCURY--This transit brings a clear mind and the ability to do all kinds of mental work and planning. Communications are at a peak in both volume and accuracy. Work that requires attention to detail and accuracy is enhanced. It is a good time for business transactions and contracts. Your intellectual curiosity is strong, and you may want to start some new course of study. Travel could also be indicated.

*27 July 2015 8 PM(27 July 2015 to 28 July 2015) Merc*

TRANSITING MERCURY SEXTILE NATAL MARS--This transit brings a high level of mental activity, supporting the best influences of Mercury and Mars. You can work very hard, and any project you attempt will go well. You are likely to want to do things on your own and for yourself, or at least for personal recognition. You will be able to communicate and present your case to others in a very forceful way during this time. Others may not be up to your work level, however, and you need to be patient with them. Your optimism and self confidence will allow you to take advantage of all opportunities that come your way during this aspect.

28 July 2015 (26 July 2015 to 14 September 2015) 11th H.

31 July 2015 12 AM (31 July 2015 to 1 August 2015) Sqr Plu

TRANSITING MARS SQUARE NATAL PLUTO--This transit has two polarities--it can bring power struggles and disagreements, or it can help you transform and regenerate your world around you. Your energy level will be high and you could get a lot of work done--if you don't create too much opposition doing it. Your ambitions will be enhanced at this time, but they, too, could conflict with someone else. The lesson from this transit is to look at your recent past efforts for any loose ends or shortcuts that need to be attended to or corrected. If they can be cleaned up to the good of all, you should do so. However, if you can't do it without causing conflict with others, it might be better to wait till this transit passes. As in all transits with Pluto, the influences could be those of someone else relating to you, rather than you to them. Also, as in all Pluto aspects, anything attempted must be for the greater good or it either will not work, or it will not do you any good.

31 July 2015 1 AM (31 July 2015 to 1 August 2015) Sxtil Sat

and you are concerned with making the situation better. It is a good time to look around and see what needs to be corrected in your environment. Saturn's discipline to the thinking is a gentle nudge to work on the details rather than the overall pattern. Try to focus your energy on the completion of difficult dilemmas and activities.

19 Aug 2015 (28 June 2015 to 25 Sep 2015) Merc

TRANSITING NEPTUNE SQUARE NATAL MERCURY--This aspect can "Square off" the dual octave influences of Neptune with the thinking mind of Mercury. The challenge of this square is to keep your thinking straight within yourself, and to keep your communications with others true and accurate. The lower influences of Neptune can bring confusion and even deception to the intellect, and this could become a serious source of trouble. Even the higher octave Neptune influences of imagination and inspiration can influence the intellect to the point where you could become obsessed with strange ideas and fanciful beliefs--especially from religious and mystical notions. One of the obstacles to growth we must experience here is to rise above the lower influences of Neptune into the higher spiritual plane of understanding. Don't let yourself become overwhelmed by imaginary fears and anxieties during this time. To do so could bring on worry and nervous problems which are likely to be unfounded in reality. Do not give such worry and anxiety any power over you. Be sure your communications with others are true and accurate, and test other persons communications with you for truth and accuracy as well. It will be easy for you to be deceived while this transit is in effect. Practice patience before making any decisions, especially in business affairs. Avoid ALL mind-altering drugs and/or alcohol during this time: your mind already has enough unreality to deal with. Seek positive guidance from your "True Source" during this transit, apply a large dose of skepticism, and avoid making any sudden and impulsive decisions.
